FR USA would love to see you Racing at the "FUXI" SG/SL SUPER COMBI or at least show up for the Party!

Fuxi @ FuxiRacingUSA is proud to organize in conjunction with SKI COOPER/Leadville the 3rd Annual FuxiTime SuperCombi race at Ski Cooper on Monday, 22nd March 2010.

If you are participating in the Rocky Mountain Master DH Championships / Molecule F Speed Series taking place at SKI COOPER on March 20 & 21 - plan to stay on for the FUXI SG/SL SUPER COMBI event on the following day.

At FuxiRacingUSA we are developing a race that stresses what we believe to be the **ACES** of ski racing - **A**ccessibility, **C**ommunity, **E**nthusiasm, and **S**port. This is an open race - one does not need to be a member of USSA to compete. The Masters and the Fuxi community are made up of friendly people who are enthusiastic about the sport and the camaraderie that surrounds competition.

So we come respectfully to you, our innermost circle of FuxiRacing supporters.

In order to create the ideal race, it is important that you are behind us. Therefore, we kindly invite you to come out to this event to be part of the day's festivities. There will be raffle prizes, food, music, and awards.

Thanks for you support and consideration!
